

People Focused. Solutions Driven. Customer Approved.

AvantGarde LLC (AG) is a certified Woman-Owned Small Business (WOSB) and premier consulting firm providing a commanding set of integrated and innovative services in Human Capital (HC/HR), Technology (IT), Organizational & Strategic Solutions, and Business Operations Support. Our impact-driven and people-focused services and solutions address our clients' evolving needs through deep expertise, strong relationships, and the commitment and care of our employees.

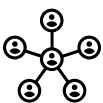

Your Partners in People, Technology, and Vision

Human Capital

We deliver tailored, full-lifecycle human capital solutions that strengthen workforce performance, drive mission alignment, and support long-term organizational success.

Organizational & Strategic Solutions

Unlocking full workforce potential, we specialize in comprehensive organizational development and strategic solutions that are tailored towards clients' sustained success and growth.

Technology

Our IT services align our expertise to the needs of our clients. From program management to daily applications, AG is committed to IT solutions that optimize our clients' organizational performance.

Business Operations

We offer unparalleled expertise, partnering with organizations to maximize efficiency and streamline processes, enabling clients to achieve operational goals.

AG's Value Proposition

Experience

Since 2011 we have built trusted partnerships with more than 50 clients to support their organizational, technological, and business objectives.

Innovation

We offer innovative solutions including our own proprietary tools and best practice resources to achieve client objectives.

Reliability

More than 80% of our business growth comes from client referrals and proven performance.

"People First, Client Always"

The AG management team prioritizes the client relationship, creating a collaborative partnership while also treating our employees with love and care.
